

Invitation: Forum Flüchtlingshilfe [Refugee Aid Forum]

Third open forum on

Friday, 29 September 2017
From 13:30 to approx. 20:00

at the Kampnagel Factory, Winterhude

Hamburg's refugee aid carries out essential tasks for the integration of refugees. Forum Flüchtlingshilfe [the Refugee Aid Forum] helps to network projects in Hamburg and to further develop activities together. On 29 September, we invite all stakeholders and interested parties, volunteers and professional participants to meet and exchange ideas and views at Kampnagel. The focus is on the following question: How can integration into society and its regulatory systems, as well as social togetherness with our new neighbours, succeed in the long term?

The First Mayor of Hamburg, Olaf Scholz, will open the forum. At a "Market of Possibilities", paid and voluntary projects and initiatives will present their efforts in regard to support for refugees. Take advantage of the opportunity to talk with others and find out more. Or visit the Integration Stage and our Integration Workshop 2020.

Be part of it this year too! The event is free of charge and open to all; by registering in advance, you will make it easier for us to organise the event. Please register here: <http://t.hh.de/9141068>.

The full programme and continuously updated information on participation can be found at www.hamburg.de/forum-fluechtlingshilfe.

If you would like to present a stand at the Market of Possibilities, please register here by 9 September 2017: <http://t.hh.de/8719054>.

The conference language will be German. Guides will be available on site for those who require multilingual support. Speech-to-text interpreters and sign language interpreters will also be provided.

Please forward this invitation to interested parties and accept our apologies if you receive multiple notifications.

We look forward to your participation on 29 September!
